About AES

AES is a family-owned, boutique specialty veterinary hospital located in scenic and pet-friendly Kirkland, WA. We provide compassionate and personalized patient care around the clock in our beautiful, state-of-the-art facility. Having served the Eastside for forty years, we are honored to partner with over one hundred referring clinics and support numerous community and rescue organizations. Check out what clients are saying about us on Facebook and Yelp!

Our team of experienced, personable veterinarians and nurses is passionate about emergency medicine, critical care, urgent care, and surgery. Additional nursing staff is needed to accommodate our growing and varied caseload.

Veterinary Technicians at AES

Successful, long-term nursing team members (licensed technicians and assistants) are the heart and soul of our hospital. Triage and prioritizing are second nature to our nurses, who excel at anticipating the needs of both incoming and hospitalized patients. In partnership with our veterinarians, they ensure patients are kept comfortable from intake to discharge. Our nurses work well together and independently. They thrive in fast-paced environments, embrace new challenges, and support each other. AES nurses help achieve the best outcomes for every patient and client by spending quality time with each of them. Like-minded individuals are encouraged to apply!
